

New event series in Paznaun: “Golden Summits” features cultural, culinary and sporting highlights

Last spring, Paznaun thrilled its guests with the new event series “Spring Blanc”, which offered skiing experiences until May paired with a varied programme of musical and culinary highlights. Based on the experience of this successful concept, another event series is now being presented: The upcoming summer format “Golden Summits”. From 2 September to 16 October, Paznaun guests and locals will experience a “Golden Autumn” with exciting events and a wide-ranging programme of activities.

This autumn, within the framework of the “[Golden Summits](#)”, a programme of numerous cultural, sporting and culinary highlights in the Paznaun villages of Galtür, Ischgl, Kappl and See will take place over six weeks. “The Golden Summits extend the summer season in Paznaun far into autumn and will delight our guests with spectacular highlights”, says Alexander von der Thannen, chairman of the Tourism Association Paznaun — Ischgl.
